Other Events

Throughout the duration of the 72nd TIF (8-16.09.07), the following events will take place:

EXHIBITION "THE CHARM OF LIGHT" Pavilion 10

It involves the innovative presentation of 5 thematic parks:

- Where does light come from
- What is light
- Laser – a special kind of light
- How light works on everyday products
- Games with light

Special exhibits will be presented for each thematic park that will inspire learning, applications on optical engineering etc.

This exhibition is part of the Academia programme and aims to educate and entertain at the same time.

HOBBYmania - PLAYLAND Pavilion 14

The renovated play area of **PLAYMOBIL**, the "**Cooking Playtime**" play area, puppet shows and paintball games await our young friends for endless fun and games!

A series of events for children aged up to 12. These include:

- **Playmobil:** Playground space and operation.
- **Cooking - Playtime:** An entertaining and educational programme, through which children **get to know and learn about the basic products of Greece**. Children take part in various activities through play, in order to become better informed and learn to appreciate a healthy diet. **Olives and olive oil, pulses, wheat and flour**, and the **herbs** that grow in Greece are the heroes of the game.

And more...

HOBBIES for those of you who want to use your leisure time in a creative way

Board games, puzzles, modeling, climbing, pets and much more await you at **Pavilion 14**.

GAMES FOR CHILDREN & HOBBIES at the **HOBBYmania panorama**

**PHOTOGRAPHY EXHIBITION:
"Thessaloniki: Photographic Archive Records 1900-1980"
Conference Centre "I.Vellidis"**

The records of the Photographic Archives of the General Communication Secretariat – General Information Secretariat constitute a valuable contribution to the resources of visual art records concerning contemporary Thessaloniki, a contribution from which historic and humanistic research can benefit significantly.

The material that was selected as the most representative includes 114 photographic shots of which 35 were taken prior to and during World War II and 79 after its end. Most of the photographs have not been published in accessible editions or have remained unpublished.

**MUSIC EVENTS
72nd TIF Outdoor areas**

Concerts with famous artists.

**VIDEO GAMES COMPETITION
Pavilion 9, 1st floor**

World Cyber Games International is the largest international event for computers and Video Games, attended by the best Gamers from all over the world, who want to share the enthusiasm and fun offered by Electronic Sports.

Within the framework of the World Cyber Games Grand Final, that will take place this year in Qwest **Field - Seattle, Washington U.S.A.** from 3-7 October 2007, World Cyber Games Hellas is organizing National Finals for our country, with the aim of creating a National Greek team for Electronic Sports. The games will take place during the **72nd Thessaloniki International Fair**, from Friday **8/9** to Sunday **16/9**, in a specially designed area on the 1st floor of Pavilion 9.

Along with the National Finals for the Official Games, other tournaments will also be organized regarding popular titles, as well as happenings, draws, game presentations and more.

More specifically:

Official Games :

CounterStrike Male, 5 vs 5 (Format PC)
Starcraft : Broodwar, 1 vs 1 (Format PC)
Project Gotham Racing 3, 1 vs 1 (Format xbox 360)

Tournaments by WCG Hellas :

CounterStrike Female Cup, 5 vs 5 (Format PC)
Warcraft : Frozen Thrown DOTA, 3 vs 3 (Format PC)
Dead Or Alive 4, 1 vs 1 (Format xbox 360)
Fifa 07, 1 vs 1 (Format PC)

We therefore invite all those interested to register for the games, in order to gain experience and feel the magic of taking part in the grandest international tournament for electronic sports or otherwise ... the **Olympiad of Electronic Sports!**

EUROPLANET 2007, a “space” year awaits you at Pavilion 9

In order to take part in the celebrations for the 50th anniversary from the beginning of space exploration by man and the 10th anniversary from the launching of Cassini-Huygens, the European Network of Planetologists *Europlanet* is organizing various events in several European countries, including Greece.

The 72nd **Thessaloniki International Fair** in collaboration with the European **Europlanet** network and within the framework of the celebrations for the 50th anniversary from the launching of Sputnik, is organizing a series of events, which are addressed to all members of the public, but primarily to young people and children, inviting them to discover our celestial neighbours and wonder about the position of man in the Universe. By challenging their interest and enthusiasm, the events aim at experiential learning as a process of discovery and participation, and an approach to scientific terms through a creative process.

COMPETITION

It is addressed to:

- **Children aged 6 to 12 years**, for the best design/drawing of celestial bodies from our Solar System.
- **Artists**, for the best artistic creation dedicated to our Solar System (e.g. video, design, sculpture or painting).
- **Amateur astronomers**, for the best photograph of celestial bodies from our Solar System, taken in 2007.

The competition will take place in two stages:

- selection of the best entries on a National level
- selection from among the best national entries on a European level

Prizes will be awarded both to the National and European winners. The Greek winners will be announced in late November, at an official ceremony. The Paneuropean winners will be announced on 18 December 2007, on the occasion of the 4th anniversary of the arrival of Mars Express on the Red Planet and the closest approach of Mars to Earth.
